Extra Sensation for BARGAIN FRIDAY

One Hundred One-Piece Style

LINGERIE \$5 PRINCESS DRESSES

Made to Sell for \$10.00

Lingerie Princess dresses are decidedly the smartest costumes of the season, and they are already so much in demand that we have to discontinue our sale to discontinue one of 13,000 for less than \$10.00.

We bought this collection of lingerie princess dresses to sell at \$10 each, but on looking over our sale of a year ago we find that we have a tremendously big day to sell on Bargain Friday in our costume section. As it is our policy to make each day a bigger one than the corresponding day of the previous year, we decided to sell these \$10 Lingerie Princess dresses at \$5.00.

Of course, this will entail a big loss to us, but then they are such wonderful bargains at \$5.00 that they are bound to make hundreds of new friends for the store, and that is worth ten times as much to us as the money we will lose on these dresses.

You never saw any dresses in your life at \$10 that were more beautiful than these. They are made of fine batiste in all the latest colorings, such as blue, pink, white, etc., and we also have white lace, with yokes of val lace and embroidery, and the entire front and back of the waist is made with many rows of lace insertion. Length long sleeves, edged with val lace, full flare skirt, trimmed with val lace, and finished with many folds.

These \$10 lingerie princess dresses at \$5.00 will unquestionably bring in one of the largest crowds to our costume department on Bargain Friday, that ever visited any store in Boston on any day.

Those who are familiar with the winter wardrobe will be sure to get one of these dresses. Remember, we are now at one hundred, and when you get a crowd of smart dresses together and get them entered at a bargain like this, there is certain to be the liveliest kind of selling until they are all gone.

96 Broadcloth, Cheviot and Fancy Waxed SKIRTS

Positively the best \$5.00 Skirts ever offered by any store in Boston, sale price Bargain Friday while they last \$2.95

We had a sale of these skirts the other day, and sold over two hundred up to 3 o'clock. In the afternoon, and the only thing that prevented us from selling twice as many was that we didn't have any more. Skirts like these are scarce at the price we are asking for them that we have been able to secure only eight dozens more to sell at this price. Judge for yourself how long they will last on Friday and given the time you attend this sale accordingly.

They are all deep pleated skirts, with or without fold, made very wide, well tailored, and perfect hanging. Bargain Friday \$2.95.

Third Extra Sensation Including Some '10 Coats for \$2.90

For Small Women, Misses and Girls

If you can wear any size between 32 and 38 bust measurement or if you have a daughter of 14 years of age you can have your choice to-morrow of any full length Winter coat in our entire Winter coat sale, formerly up to \$10, at the most sensational clearing price ever quoted, \$2.90.

These coats are just as good today as the new when the price was up to \$10, and they will be just as good when you are now. They are made of cheviot, novelty and fine broadcloth, and are finished in the latest style, with the pocket lined, extra party suit, and the collar and fancy band, its nourishment \$2.90.
